- Data Security & Privacy

The Novara Partners is a specialist outsourcing firm delivering accounting, bookkeeping, tax preparation, payroll, and related financial services to US businesses, CPA firms, and accounting professionals. Founded and led by qualified Chartered Accountants, we are committed to delivering timely, reliable, and accountable solutions.

From our operations hub in Ahmedabad, India, our experienced team works as a seamless extension of your business — handling your day-to-day financial operations with precision, so you can focus on growth. We combine deep technical expertise with modern cloud platforms to deliver work that is accurate, compliant, and always on time.

OUR AIM

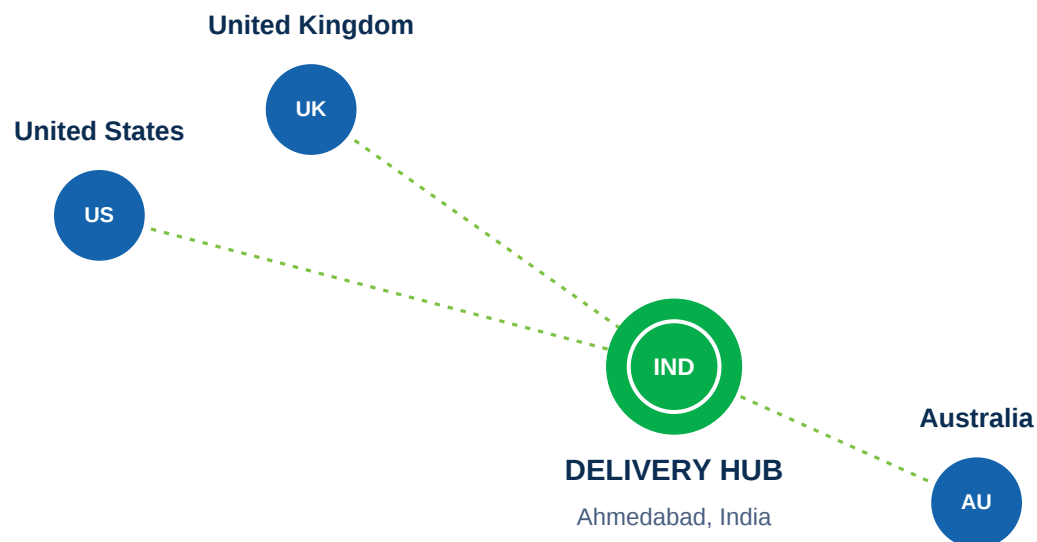

To understand what matters most to our clients and help them create sustainable value and lasting satisfaction — delivered in a truly professional environment built on trust and accuracy.

OUR MISSION

To apply the best global accounting practices, adopt innovation quickly, turn insight into action, and build a skilled, dedicated team that consistently delivers excellence to every client we serve.

Local Expertise, Global Reach

One dedicated delivery hub in India, serving clients across three major markets.

What Sets Our Delivery Apart

Time Zone Advantage

Work continues while you sleep — tasks are ready by the start of your business day.

Dedicated Teams

A consistent, assigned team that knows your business — not a rotating support desk.

Market Understanding

Deep knowledge of US accounting standards, tax codes, and regulatory requirements.

A Comprehensive Suite for US Clients

Every service is designed to save you time, reduce costs, and ensure full US compliance.

Bookkeeping & Accounting

Federal & State Tax Returns

Accounts Payable & Receivable

Full-Time Virtual Accountants

Management Accounts & Reporting

Workflow Digitalization

Payroll Processing & Tax Administration

Financial Analysis & Reporting

Sales Tax Return Preparation

CPA Firm Back-Office Support

Year-End Financial Statements

Customized Accounting Solutions

01

Consultation & Needs Assessment

Timeframe: 1-2 Business Days

We learn about your goals and accounting needs, then design a tailored solution and guide you through secure document upload.

02

Free Trial & Custom Proposal

Timeframe: 5-7 Business Days

Experience our service risk-free. We provide a trial based on your needs, then deliver a detailed proposal with scope, timelines and pricing.

03

Onboarding & Secure Data Transfer

Timeframe: 1-2 Business Days

Once approved, we onboard your dedicated team. Documents are shared via secure portals, with your data protected at every stage.

04

Processing & Real-Time Collaboration

Timeframe: Ongoing

Our team gets to work — bookkeeping, payroll, tax prep and more — with open communication and regular progress updates.

05

Review, Reporting & Delivery

Timeframe: 1-2 Business Days

We deliver comprehensive reports for review, then finalize all documents through your secure portal — accurate and compliant.

With The Novara Partners, you gain a true competitive edge:

- ✓ **Lower costs and higher efficiency through proven offshore delivery models**
- ✓ **Access to qualified Chartered Accountants and modern cloud technology**
- ✓ **Scalability to support your growth — from solo firms to large enterprises**
- ✓ **Deep understanding of US accounting standards and the regulatory environment**
- ✓ **A relationship built on accuracy, accountability, and long-term trust**

Our team's experience and dedication ensure your business stays ahead in a dynamic financial landscape.

WHY CHOOSE US

Choosing The Novara Partners means partnering with a team that understands your business needs and is dedicated to helping you manage your resources efficiently.

Our key advantages include:

- ✓ Significant cost savings — reduce operational expenses by up to 50% versus in-house teams
- ✓ Access to qualified professionals with expertise in bookkeeping, payroll, tax and compliance
- ✓ Flexible staffing models that scale services as your business grows
- ✓ Enhanced focus on your core business while we handle the rest
- ✓ Improved risk management by sharing operational load with experienced specialists

Enterprise-grade infrastructure built for secure, uninterrupted service delivery.

Custom Workstations

Workstations tailored to client needs, protected by enterprise antivirus, with controlled internet access for all staff.

High-Speed Connectivity

Reliable fibre-optic internet with built-in redundancy — ensuring uninterrupted, secure data transfer at all times.

Modern Communication

VOIP, video, and audio systems enabling seamless, real-time collaboration with clients across the US, UK and Australia.

Secure Environment

Access-controlled premises, CCTV monitoring, and clean-desk policies that protect every piece of client data.

The Novara Partners safeguards sensitive data with robust encryption, strict access controls, and clear confidentiality agreements. We adhere to international security standards and invest in ongoing staff training to maintain the highest level of data protection.

NDA PROTECTED

Every engagement begins with a signed Non-Disclosure Agreement — before any data is shared. Your information is handled with the highest standards of confidentiality, privacy, and trust.

Encrypted data storage & secure file transfers

Multi-factor authentication on all systems

Role-based access — strictly need-to-know

Restricted internet & USB ports on workstations

Regular Security Reviews • Confidentiality Training • Full Transparency, Always

We treat your data as if it were our own most sensitive information.
